# RightFax Integrations with Ricoh

Reduce Costs and Improve Productivity by Integrating Captaris RightFax Fax Capabilities with Ricoh Multifunction Products

## OVERVIEW

Captaris RightFax integrates with Ricoh's Multifunction Products to help organizations improve efficiency by integrating faxing capabilities with an organization's multifunction product infrastructure. It allows companies to consolidate all faxing services on the network, giving users convenient access to faxing capabilities on the same devices used daily for printing, scanning and copying. With RightFax, users gain both easy walk-up access and a central point of control for electronic as well as hard copy faxing. This enables them to streamline workflow processes and save time and money on administrative tasks. RightFax is the ideal solution for organizations that want to further leverage their multifunction products for all their document development, duplication and distribution needs.

## THE BENEFITS OF CENTRALIZING FAXING, PRINTING, SCANNING AND COPYING

Companies gain enormous benefits by adding RightFax network faxing capabilities to their multifunction products.

**Reduce Costs** - Decrease many of the costs incurred when using traditional fax methods. Displace stand-alone fax machines: cost of devices, support contracts, phone lines and supplies. Additionally, decrease the costs of fax-enabling individual workstations or multifunction products with modems and phone lines.

**Increase Productivity and Efficiency** - Allow users to print, scan, copy and fax from one device to save time and improve workflow processes.

**Centralize Control of Network Faxing** - Move all fax resources to the network to provide one point of control for hard copy and electronic faxing.

**Simplify Administration** - Install and manage RightFax with a suite of easy-to-use administrative tools designed to automate routine tasks, troubleshoot problems and monitor and report fax activity.

**Improve Security** - Keep confidential documents private by providing secure document delivery channels and assist with regulatory compliance by allowing administrative archival of sent and received faxes.

**Scalable** - Take advantage of an open database for optimum scalability, reliability, performance and interoperability. In addition, customers can start with a single server then expand to as many as 1,024 channels for additional capacity.

## RIGHTFAX FEATURES

**Open Database** - Out-of-the-box support for Microsoft SQL Server 2000 Desktop Engine (MSDE), in addition to support for Microsoft SQL Server 2000 Standard and Enterprise Edition.

**Centralized Management** - Centralized administration tools allow administrators to set up, configure and manage fax services individually or globally.

**Intelligent Least-cost Routing™ & IP Fax Delivery** - Faxes can be delivered via alternate RightFax servers across corporate LANs, WANS, intranets, or the Internet to ensure documents are delivered in the most economical way.

**Intra-company Least-cost Routing** - Companies can deliver internal faxes via the RightFax network of servers and bypass public-switch telephone networks to eliminate phone charges.

**Built-in Email Modules** - RightFax offers modules for Microsoft Exchange and IBM Lotus Notes and supports all SMTP Internet mail systems including Lotus cc: Mail, Microsoft Mail and Novell GroupWise.

**Automatic Fax Distribution** - Faxes can be systematically distributed to groups of users for fast, efficient processing.

## RICOH MULTIFUNCTION PRODUCT SUPPORT

PRODUCT LINE	MODEL NUMBERS
Savin MFPs with GlobalScan Server	2235, 2522, 2527, 2532, 2535/2535P, 2545/2245, 2545P, 2560, 2575, 3224, 4022/4022sp, 4027/4027sp, 4035/4035E/4035Esp, 4045/4045E/4045Esp, 4090, 4105, C2408, C3210, C3828, SLP38cs, CLP285
Gestetner MFPs with GlobalScan Server	3502/02p, 2212, 2712, 3212, 3532, 4502/02p, 4532, 6002, 7502, 9002e, 10512e DSc224/32C, DSc332/38c, DSc38US, DSc38S, , DSm622, DSm622sp, DSm627, DSm627sp, DSm632, DSm635/645, DSm645sp
Lanier MFPs with GlobalScan Server	2138CMF, 5622/27/32, 5635/35p, 5645/45p LD024C/32C, LD035/45, LD060/75, LD090e, LD0105e, LD122/S/P, LD127/S/P, LD132, LD135/145, LD134SP/135SP/45SP, LD232c/38c, LP138c/CMF
Aficio MFPs with GlobalScan Server	1022/27/32, 1224C/32C, 1035/35G/35p, 1045/45G/45p, 1060/75, 2022/S/P, 2027/S/P, 2032, 2035/35SP, 2035e/35eSP, 2045/45SP, 2045e/45eSP, 2090e, 2105e, 2232C, 2238C, AP3800CMF, CL7000/CMF

## FOR MORE INFORMATION

Captaris Business Information Delivery solutions capture, process, archive and deliver data and documents enabling customers to reduce costs and increase the performance of critical business information investments. Through its global distribution network, Captaris delivers cost-effective software products and services that help organizations manage and leverage the value of corporate information. In partnership with leading enterprise technology companies, Captaris has installed more than 90,000 systems in 95 countries in companies of all sizes, including the entire Fortune 100.
